Dear Parent/Carer,

As you may have heard in the media there are a series of dates where teachers' strikes have been organised.

In anticipation of childcare issues due to other mainstream schools closing in the local area, I have made the decision to close **Post 16, Nursery/Robins** and **Penguins** in anticipation of staff shortages on **Wednesday 1<sup>st</sup> February**.

If your child comes in on LA transport, please can you confirm with your transport provider that your child will not be in on this day.

Regards,

Niki Wilson
